

## Allerthorpe Woods Walk

1. Park on Back Lane behind the Plough Inn and follow the farm track through the gate towards the woods.

2. Here you can either continue straight ahead along the edge of the wood, or for a slightly longer walk, turn right and follow the loop, rejoining the original path alongside Allerthorpe Common.

3. Look out for the gate on your left hand side, leading out of the woods and across the farmland.

4. At the end of the fields, follow the track around to the right and then the left past Warren Farm Cottage.

5. As you meet the main road, turn left and head back towards the Plough Inn.
